

# BRIMFIELD JFL FOOTBALL

## **Brimfield JFL Fall 2020 season.**

JFLOCI is adjusting the format of registration fees and fundraising throughout the league. JFLOCI recognizes the financial impact the pandemic has placed on many families. Raffle tickets will be sold to alleviate families from paying registration fees out of pocket. The yearly fundraiser of Club Choice products has also been replaced by raffle ticket sales.

Although the yearly fee to play football has been waived, every player will be required to sell 20 tickets or they will not be allowed to play.

The price of the tickets will be \$10 each with the Cash Prizes as follows:

1st - \$5,000	6th - \$100
2nd - \$3,000	7th - \$100
3rd - \$2,000	8th - \$100
4th - \$1,000	9th - \$100
5th - \$500	10th - \$100

This is replacing our Brimfield JFL /JFLOCI fundraiser. So, we want you to sell more than the minimum 20. As an added Bonus, the player that sells the most tickets in Brimfield JFL organization will win Apple Air Pods with Charging Case.

The tickets will be handed out the 1st night of practice.

## **Concessions Fee**

New this season will be the Concession Fee. I have put this off for many years hoping to get help working the concessions. But it just doesn't happen, and myself, wife and kids end up working all the games. As well as the same 5-6 volunteers every week. So, this year I will be paying HS students to work the concessions. Fee for the season will be \$15 per family. Anybody who wants to work, will then be paid back the fee once they work a shift in the concession stand.
